## **Report of Independent Auditors**

To the Board of Managers of Great Gray Trust Company, LLC

### ***Opinions***

We have audited the accompanying financial statements of each of the funds listed below (collectively referred to as the "Funds"), which comprise the statement of assets and liabilities, including the schedule of investments, as of December 31, 2025 and the related statements of operations and of changes in net assets, including the related notes, and the financial highlights for the year then ended (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of each of the Funds listed below as of December 31, 2025, and the results of each of their operations, the changes in each of their net assets, and each of their financial highlights for the year then ended in accordance with accounting principles generally accepted in the United States of America.

- Great Gray Blended Research Core Equity Fund
- Great Gray Large Cap Value Insights Fund

### ***Basis for Opinions***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Funds and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Funds' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

### ***Auditors' Responsibilities for the Audits of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Funds' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Funds' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

### Great Gray Blended Research Core Equity Fund

#### Schedule of Investments December 31, 2025

	Principal Amount or Shares	Cost	Fair Value
Collective Funds - 100.1%			
MFS Blended Research Core Equity Fund Class 8W	13,336,321	\$ 133,474,943	\$ 151,900,695
Total Collective Funds		133,474,943	151,900,695
Total Investments - 100.1%		\$ 133,474,943	151,900,695
Other Assets and Liabilities, Net - (0.1%)			(139,973)
Net Assets - 100.0%			\$ 151,760,722

The following is a summary of the fair value of the investments in the Fund based on the inputs used to value them as of December 31, 2025 (see Note 3 in Notes to the Financial Statements):

#### Fair Value Measurements

	Investments Measured at Net Asset Value*				Total
	Level 1	Level 2	Level 3		
Collective Funds	\$ 151,900,695	\$ -	\$ -	\$ -	\$ 151,900,695
Total	\$ 151,900,695	\$ -	\$ -	\$ -	\$ 151,900,695

\*Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Assets and Liabilities.

**Concentration of Ownership:** As of December 31, 2025, the Fund had no unitholders holding 10% or more of the outstanding units of the Fund.

**Supplementary Information (Unaudited):** Total investment purchases, sales proceeds, and realized gain for the year ended December 31, 2025, were:

	Purchases at Cost	Sales Proceeds	Realized Gain
Equity	\$ 31,851,191	\$ 74,185,115	\$ 1,668,764

# Great Gray Collective Investment Trust

## Funds Sub-Advised by LeafHouse Financial Advisors, LLC

### Notes to the Financial Statements

December 31, 2025

#### Note 1 – Organization

Great Gray Collective Investment Trust (the "Trust") is intended to constitute an exempt trust under Section 501(a) of the Internal Revenue Code of 1986, as amended (the "Code"), and a group trust within the meaning of Rev. Rul. 81-100, as amended. The Trust is exempt from registration under the Investment Company Act of 1940, as amended, and the Securities Act of 1933, as amended. Great Gray Trust Company, LLC (the "Trustee") serves as the Trustee of the Trust.

The Trustee is responsible for maintaining and administering the Trust and its various funds (the "Funds" – see Fund Index) and also serves as the investment manager to the Funds. The Northern Trust Company provides custody, transfer agency, and accounting services for the Funds.

The Trustee is ultimately controlled by Madison Dearborn Partners, LLC ("MDP"), a registered investment adviser and private equity firm based in Chicago, IL. MDP and its controlled subsidiaries are the general partners to the investment funds that own substantially all of the Trustee through intermediate holding companies.

The purpose of the Trust is to allow collective investments by plan sponsors of retirement plans which qualify for exemption from federal income taxation pursuant to Section 501(a) of the Code, by reason of qualifying under Section 401(a) of the Code; tax-exempt governmental plans described in Section 401(a)(24) of the Code; eligible deferred compensation plans under Section 457(b) of the Code established by a government employer; group trusts or separate accounts consisting solely of assets of the foregoing; and other investors eligible for participation in the Trust. The Trust consists of separate funds with differing investment objectives, which are available for investment by participating plans. An eligible plan may join the Trust, subject to the Trustee's acceptance, and become a participating plan by executing participation documents specified by the Trustee. Not all funds within the Trust are presented herein. The Trustee has claimed an exclusion from the definition of commodity pool operator ("CPO") under the Commodity Exchange Act and the rules of the Commodity Futures Trading Commission ("CFTC") with respect to the Funds, and is therefore not subject to CFTC registration or regulation as a CPO with respect to the Funds.

The Trustee has engaged LeafHouse Financial Advisors, LLC (the "Sub-Advisor") to provide investment advice and recommendations with respect to investment of the Funds' assets. The Trustee maintains ultimate fiduciary authority over the management of and investments made in the Funds. The Sub-Advisor is engaged pursuant to a sub-advisor agreement.

#### Note 2 – Significant Accounting Policies

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The Funds are investment companies and follow the accounting and reporting guidance in Financial Accounting Standards Board Accounting Standards Codification Topic No. 946.

**Net Asset Value ("NAV")** – Units of each Fund are valued each day on which the New York Stock Exchange ("NYSE") is open for trading in accordance with the valuation procedures established by the Trustee. The NAV per unit is calculated as of the close of trading on the NYSE (generally, 4:00 p.m. U.S. Eastern time). The NAV per unit is

# Great Gray Collective Investment Trust

## Funds Sub-Advised by LeafHouse Financial Advisors, LLC

### Notes to the Financial Statements (continued)

December 31, 2025

computed by dividing the total fair value of the assets of each Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in each Fund and included in the determination of unit values.

**Fund Unit Transactions** – The Funds sell new units and repurchase outstanding units on a daily basis. Unit purchases and redemptions are transacted at the NAV of the Funds determined as of the close of business each day. A summary of the unit activity for each Fund is included with its Financial Highlights.

The Funds require a plan to provide advance written notice of five business days for plan directed withdrawals which will exceed \$1 million of the assets invested in each Fund.

**Investment Valuation** – Investments are valued at their current fair value determined as follows:

**Collective Funds** – The Funds may hold investments in units of other funds within the Trust or similar funds for which other unrelated entities are trustee. The Trustee or an unrelated trustee estimates the fair value of investments in collective funds that have calculated net asset value per unit in accordance with the specialized accounting guidance for investment companies. Accordingly, as a practical expedient, investments in other such funds are valued at their net asset value as reported by the investee funds. The Funds have the ability to redeem their investments in the collective funds at net asset value. Where one fund invests in another fund within the Trust, the Trustee fee allocated to the investment by such investee fund is waived.

When the valuation methods described above are not reflective of fair value, investments are valued at fair value following procedures and/or guidelines determined by or under the direction of the valuation committee established by the Trustee. In light of the judgment involved in fair value decisions, there can be no assurance that a fair value assigned to a particular investment is accurate.

**Cash and Cash Equivalents** – The Funds consider all highly liquid instruments with original maturities of three months or less at the acquisition date to be cash equivalents.

**Investment Transactions and Investment Income** – The Funds record security transactions on a trade date basis. Dividend income is recorded on the ex-dividend date. Net realized gains and losses on investments are determined by the first-in, first-out method. Interest income and expenses are recorded daily on the accrual basis.

**Use of Estimates** – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**Guarantees and Indemnifications** – Under the Funds' organizational documents, each trustee, officer, employee and agent of the Trust is indemnified, to the extent permitted by law, against certain liabilities that may arise in the performance of their duties to the Funds.

**Income Tax Status** – The Trust has received a determination from the Internal Revenue Service that the Trust is exempt from federal income taxation under Section 501(a) of the Code. Accordingly, no federal income tax provision is required.

# Great Gray Collective Investment Trust

## Funds Sub-Advised by LeafHouse Financial Advisors, LLC

### Notes to the Financial Statements (continued)

December 31, 2025

#### Note 3 – Fair Value Measurements

Fair value is defined as the price a fund would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date.

The Trust uses NAV per share (or its equivalent) as a practical expedient to estimate the fair value of certain investments that do not have a readily determinable fair value. These investments are in entities that calculate NAV per share in a manner consistent with the measurement principles of ASC Topic 946, Financial Services—Investment Companies.

Various inputs are used in determining the fair value of the Funds' investments. The Trustee has performed an analysis of the significance and character of these inputs to the fair value determination. These inputs are summarized in the three broad levels listed below:

- Level 1 – Quoted prices in active markets for identical investments.
- Level 2 – Other significant observable inputs (including quoted prices for similar investments, interest rates, credit risk, and others).
- Level 3 – Significant unobservable inputs (including the Trustee's own assumptions in determining the fair value of investments).

The inputs or methodologies used for valuing investments are not necessarily an indication of the risk associated with investing in those investments. The aggregate fair value of the investments in each Fund, by input level used as of December 31, 2025, is included following each Fund's Schedule of Investments.

#### Note 4 – Fees and Expenses

As set forth in the table below (in basis points), the Trustee receives an annualized Total Fee based on the net assets attributable to each class of the Funds. The Total Fee includes amounts the Trustee charges directly against the Funds' assets for the provision of trustee, investment management and administrative services to the Funds, and amounts charged against assets of the Underlying Funds for investment management and administrative services. The Trustee will compensate the Sub-Advisor, the Underlying Fund Trustee, and other service providers from the Total Fee it receives from the Funds. The Trustee will pay the annualized Service Provider Fee, if any, to certain Participating Plan service providers that provide sub-transfer agency, recordkeeping and other administrative services. Fees are accrued daily, paid quarterly in arrears, and are charged against the net assets of each respective class within the Funds.

<b>Fund/Fee Class</b>	<b>Total Fee<sup>(1)</sup></b>
<b>Great Gray Blended Research Core Equity Fund Class R</b>	34 <sup>(2)</sup>
<b>Great Gray Large Cap Value Insights Fund</b>	

# Great Gray Collective Investment Trust

## Funds Sub-Advised by LeafHouse Financial Advisors, LLC

### Notes to the Financial Statements (continued)

December 31, 2025

Fund/Fee Class	Total Fee <sup>(1)</sup>
Class R	37 <sup>(3)</sup>

<sup>(1)</sup> The Trustee has agreed to pay the Sub-Advisor a flat-dollar fee that does not vary based on the amount of assets invested in the Fund, but the Total Fee expressed in basis points will vary as total Fund assets change. Effective April 1, 2025, the Sub-Advisor has agreed to waive its fee for the Great Gray Large Cap Value Insights Fund and this waiver may be discontinued by the Sub-Advisor at any time. The Trustee will notify Participating Plans of changes in the Total Fee through the Fund Fact Sheets which are posted on the Trustee's website or otherwise provided to investors.

<sup>(2)</sup> Effective October 1, 2025, the Underlying Management Fee was reduced from 18 bps to 15 bps.

<sup>(3)</sup> The Total Fee includes Underlying Fund fees of 18 basis points for investment management and administrative expenses which are charged by Goldman Sachs Trust Company, N.A., (the "Underlying Fund Trustee"). The Underlying Fund Trustee has agreed to reduce its fee as the Fund assets invested in the Underlying Fund reach certain breakpoints.

**Expenses** – Each Fund will accrue and pay expenses that relate directly to the operation of the Fund, including, but not limited to, expenses related to the annual audit of the Fund, custody services (including overdraft charges), tax form preparation fees, and legal and other fees ("Operating Expenses") up to 0.49 basis points of each Fund's net assets. If the Operating Expenses exceed 0.49 basis points, the Trustee will bear the excess. Transaction fees and expenses incurred in connection with the investment and reinvestment of Fund assets, including, without limitation, any transfer agency fees, brokerage commissions and expenses, will be borne by each Fund and are not subject to the Operating Expenses cap of 0.49 basis points.

To limit total annual operating expenses of the Funds, the Sub-Advisor may, at its sole discretion, decide to bear certain expenses of the Funds or to reduce the fee it receives for its sub-advisory services to the Funds. These arrangements may be discontinued by the Sub-Advisor at any time.

When assets of each Fund are invested in investment vehicles other than Underlying Funds for short-term cash management purposes, such as other Collective Funds or Exchange-Traded Funds, those investment vehicles will incur fees and expenses, which will be reflected in the performance results and value of each Fund's investment in such investment vehicle.

#### Note 5 – Related Party Transactions

The Trustee is a Nevada-chartered non-depository trust company that provides trust and custodial services for tax-advantaged retirement plans as well as trust and investment services to business pension and retirement plans. The Trustee is responsible for managing the Trust's investment and business affairs.

#### Note 6 – Risks Associated with Investing in the Funds

The Funds invest in Underlying Funds. In the normal course of business, the Underlying Funds trade financial instruments and enter into financial transactions where risk of potential loss exists due to changes in the fair value of the investments. The Funds' risks are closely associated with the risks of the securities and other investments held by the Underlying Funds, and the ability of the Funds to meet their investment objectives likewise depends on the ability of the Underlying Funds to meet their objectives. Investment in the Underlying Funds may subject the Funds to higher costs than owning the underlying securities directly because of their management fees and administrative costs.

**Great Gray Collective Investment Trust**  
**Funds Sub-Advised by LeafHouse Financial Advisors, LLC**  
**Notes to the Financial Statements (continued)**

**December 31, 2025**

The following are the principal risks of the Funds and are described in the Additional Fund Information and Principal Risk Definitions ([www.greatgray.com/principalriskdefinitions](http://www.greatgray.com/principalriskdefinitions)):

Active Management, Equity Securities, Large Cap, Long-Term Outlook and Projections, Loss of Money, Market/Market Volatility, New Fund, Not FDIC Insured, Quantitative Investing, Suitability, Underlying Fund/Fund of Funds, Value Investing.

**Note 7 – Subsequent Events**

The Trustee has evaluated the effect of subsequent events on the Funds' financial statements through April 30, 2026, which is the date the financial statements were available to be issued, and has determined that there are no material subsequent events that would require disclosure or adjustment in the Funds' financial statements through this date.
